Education

August 2020 (Expected)	Doctor of Philosophy. The University of Michigan. Social Psychology.
August 2017	Master of Science. The University of Michigan. Social Psychology.
May 2012	Bachelor of Science. The University of St. Thomas (MN). Neuroscience.

Research Awards

April 2020	2020 Philip Brickman Memorial Prize. “A multi-method approach to measuring mental representations of threatening others” \$1,000
------------	---

Research Grants

April 2019	Rackham Professional Development Grant. R for Psychology Research \$400
April 2018	Rackham Conference Travel Award. “Infectious disease has many faces: Are they all the same?” (new data presented) \$1,050
February 2018	Rackham Conference Travel Award. “Infectious disease has many faces: Are they all the same?” \$800
September 2017	Rackham Conference Travel Award. “What does infectious disease look like in the mind? A reverse correlation approach” (new data presented). \$800
September 2016	Rackham Conference Travel Award. “Power play: Status-sensitive men may strategically modulate their desire for intergroup dominance” (new data presented). \$800
May 2016	Rackham Conference Travel Award. “Power play: Status-sensitive men (indexed by their change in testosterone) may strategically modulate their desire for intergroup dominance”. \$1,050
Jan 2012 – May 2012	Collaborative Inquiry at UST. “Determinism: A new lens for attribution”. \$1500.

Publications

Contributions to Edited Collections

Wang, I.W., **Michalak, N.M.**, & Ackerman, J.M. (2018). Threat of Infectious Disease. In Zeigler-Hill, V. & Shackelford, T.K. (Eds.), *The SAGE Handbook of Personality and Individual Differences*. Thousand Oaks, CA: SAGE Publications. [[.pdf](#)]

Wang, I.W., **Michalak, N.M.**, & Ackerman, J.M. (2016). Life history strategies. In Shackelford, T.K., Weekes-Shackelford, V. (Eds.), *Encyclopedia of Evolutionary Psychological Science*. New York City, NY: Springer. [[.pdf](#)]

Unpublished Manuscripts

Michalak, N. M., & Ackerman, J.M. (in preparation). Does the behavioral immune system discriminate among potential infection cues?

Vohs, K.D., ... (under review). A Preregistered Paradigmatic Test of the Ego Depletion Effect. *Psychological Science*.

Vohs, K.D., Lasaleta, J.D., Guo, S., Zou, X., & **Michalak, N.M.**, & Chaplin, L.N. (in preparation). With

friends like these, who needs money? Feeling socially supported weakens the desire for money.

Invited Presentations

Michalak, N.M., Takahashi, K.J. (2017). Methods Reform: Motivations, challenges, and best practices. Presentation given at Dal Cin Lab Meeting at the University of Michigan, Ann Arbor, MI.

Michalak, N.M., Takahashi, K.J., & Lee, J.Y. (2017). Preregistration. Presentation given at Psychology Methods Hour at the University of Michigan, Ann Arbor, MI.

Michalak, N.M., & Takahashi, K.J. (2017). Preregistration. Presentation given at Social Area Brownbag at the University of Michigan, Ann Arbor, MI.

Michalak, N.M., & Ackerman, J.M. (2017). Infectious disease has many faces: Are they all the same? Presentation given at Social Area Brown Bag at the University of Michigan, Ann Arbor, MI.

Michalak, N.M., & Ackerman, J.M. (2017). What does infectious disease look like in the mind? Presentation given at Social Area Brown Bag at the University of Michigan, Ann Arbor, MI.

Michalak, N.M. (2017). What's a good test? Presentation given at Psychology Methods Hour at the University of Michigan, Ann Arbor, MI.

Conference Presentations

Michalak, N.M., Salvador, C., & Ackerman, J.M. (2019). Are all threats processed the same way? An event-related potential study. Presentation given at the at the *Human Behavior and Evolution Society Conference*, Boston, MA.

Michalak, N.M., Takahashi, K.J., & Ackerman, J.M. (2019). Does anger cue coalition membership? Presentation given at the at the *Society for Personality and Social Psychology Convention*, Portland, OR.

Michalak, N.M., & Ackerman, J.M. (2018). Infectious disease has many faces: Are they all the same? Presentation given at the at the *Human Behavior and Evolution Society Conference*, Amsterdam. New data presented.

Michalak, N.M., & Ackerman, J.M. (2018). Infectious disease has many faces: Are they all the same? Presentation given at the at the *Nonverbal Preconference at the Society for Personality and Social Psychology Convention*, Atlanta, GA.

Michalak, N.M., & Ackerman, J.M. (2017). What does infectious disease look like in the mind? A Reverse Correlation Approach. Presentation given at the at the *Human Behavior and Evolution Society Conference*, Boise, ID.

Michalak, N.M., & Ackerman, J.M. (2017). What does infectious disease look like in the mind? A

Reverse Correlation Approach. Presentation given at the *Evolutionary Psychology Preconference* at the *Society for Personality and Social Psychology Convention*, San Antonio, TX.

Michalak, N.M., & Edelstein, R.S. (2017). Power play: Status-sensitive men may strategically modulate their desire for intergroup dominance. Poster presented at the *Society for Personality and Social Psychology Convention*, San Antonio, TX. New data presented.

Michalak, N.M., & Edelstein, R.S. (2016). Power play: Status-sensitive men (indexed by their change in testosterone) may strategically modulate their desire for intergroup dominance. Presentation given at the *Connecting Minds in Social Neuroendocrinology and Evolution Preconference* at the *Human Behavior and Evolution Society Conference*, Vancouver, Canada.

Michalak, N.M. & Amel, E.L. (2013). Visual, not verbal information affects attitudes about drilling for oil. Poster presented at the *Association for Psychological Science Convention*, Washington, D.C.

Michalak, N.M. (2012). Determinism: A new lens for attribution. Poster presented at *Spring Inquiry at UST*, University of St. Thomas, St. Paul, MN.

Michalak, N.M. (2012). Determinism: A new lens for attribution. Presentation given at the *Minnesota Undergraduate Psychology Conference*, Gustavus Adolphus College, St. Peter, MN.

Michalak, N.M., Borden, E.E., Fischer, R.A., & May, J.S. (2012). Components of college student schedules as predictors of the cortisol awakening response. Poster presented at the *Undergraduate Psychology Conference*, Gustavus Adolphus College, St. Peter, MN.

Michalak, N.M. & Amel, E.L. (2012) Reducing carbon emissions: Perceived control linked to intentions to donate for a cause. Poster presented at the *Seven Rivers Undergraduate Research Symposium*, Viterbo University, La Crosse, WI.

Service

September 2019	<i>Applying to Graduate School in Psychology</i> Panel. Michigan Department of Psychology, Ann Arbor, MI.
September 2019	<i>Conducting surveys online</i> . Presentation given during the Michigan Department of Psychology Orientation, Ann Arbor, MI.
September 2018	<i>Applying to Graduate School in Psychology</i> Panel. Michigan Department of Psychology, Ann Arbor, MI.
September 2018	<i>Conducting surveys online</i> . Presentation given during the Michigan Department of Psychology Orientation, Ann Arbor, MI.
September 2017	<i>Conducting surveys online</i> . Presentation given during the Michigan Department of Psychology Orientation, Ann Arbor, MI.
2017-2018	Social Psychology Alumni Speaker Series Committee

Teaching

Winter 2019	Advanced Statistical Methods II (PSYCH 614) Graduate Student
-------------	--

	Instructor with Richard Gonzalez
Fall 2018	Advanced Statistical Methods I (PSYCH 613) Graduate Student Instructor with Richard Gonzalez
Winter 2018	Advanced Statistical Methods II (PSYCH 614) Graduate Student Instructor with Adrienne Beltz
Fall 2017	Advanced Statistical Methods I (PSYCH 613) Graduate Student Instructor with Adrienne Beltz
Winter 2017	Advanced Statistical Methods II (PSYCH 614) Graduate Student Instructor with Richard Gonzalez
Fall 2016	Advanced Statistical Methods I (PSYCH 613) Graduate Student Instructor with Richard Gonzalez
Winter 2016	Introduction to Social Psychology (PSYCH 280) Graduate Student Instructor with Carla Grayson

Undergraduate Senior Honors Thesis Students

2016-2017	Isabel Osgood, B.A. University of Michigan. Infectious disease psychology and social categorization.
-----------	--

Undergraduate Research Opportunities Program

2017-2018	Briana Bowen. University of Michigan. Associations between infectious disease and benign cues.
2016-2017	Emily Jones. University of Michigan. Mental representations of infectious disease: A reverse correlation approach.

Consulting

2018-2019	Statistics Consultant. University of Michigan Department of Psychology, Ann Arbor, MI.
2019-2020	Statistics Consultant. University of Michigan Department of Psychology, Ann Arbor, MI.
2017-2018	Statistics Consultant. University of Michigan Department of Psychology, Ann Arbor, MI.

Workshops

October-November 2019	SPSS for Psychology Research. Undergraduate Research Opportunity Program (UROP) at the University of Michigan, Ann Arbor, MI. [materials]
July 2019	R for Psychology Research. Society for the Improvement of Psychological Science, Rotterdam, The Netherlands. [materials]
June 2019	R Programming for Research (co-taught with Iris M. Wang). University of Michigan Department of Psychology, Ann Arbor, MI. [materials]

May 2020

- June 2018 A gentle crash course in R using `tidyverse` (co-taught with Loek Brinkman). Society for the Improvement of Psychological Science, Grand Rapids, MI. [[materials](#)]
- June 2018 R Programming for Research (co-taught with Iris M. Wang). University of Michigan Department of Psychology, Ann Arbor, MI. [[materials](#)]
- July 2017 R Programming for Research (co-taught with Iris M. Wang). University of Michigan Department of Psychology, Ann Arbor, MI. [[materials](#)]

Professional Memberships

- 2019 - Present American Psychological Association
- 2016 - Present Society for the Improvement of Psychological Science
- 2016 - Present Association for Psychological Science
- 2015 - Present Human Behavior and Evolution Society
